

# Drilling, done right!

## Driller Assistant

If you don't mind getting a little dirty, enjoy manual labour, love the outdoor surroundings, enjoy travel, and a change of scenery often, then this could be the opportunity for you.

Mud Bay Drilling is one of western Canada's premier drilling companies and we're looking for Driller Assistants. You will need to be able to lift 25-100lbs, strong work ethic, team player, multitasking, ability to follow directions and motivated to succeed. You must have a valid BC drivers licence, clean abstract, and reliable transportation. Mechanically inclined would be an asset.

Mud Bay Drilling not only provides a positive and safe work environment, but also a chance for advancement and a solid career in the drilling industry.

Provide resumes and drivers abstract to:
